The Dy Com says the draft revised rules now submitted relate to "the imposition of taxes in the Bageepalli Municipality". In his report of the 25.5.24 the President of the Mel requested sanction to levy tax on vehicles & professions taxes. The necessity for fresh sanction is not clear as the taxes to be levied by a minor Mel have been defined in Notn No R 6319 Mel 81-19-6 dy the 25th November 1920.

on those sanctioned for the Sennegapatam Mully.

In the margin of the draft rules the heading of each rule is noted in English in red ink.

Rules 1, 16, 17 etc may be omitted as these have been provided for in the notn of 25-11-20.

Rule no 2 to be so modified as to restrict the recovery of taxes by Departmental Officers.

Rule 3 to be amended.

With reference to Rule 10 etc attention is invited to Rule 16 of notn of 25-11-20.

Rules 12 & 13 have to be deleted as they are matters in which Govt have to frame rules in the case of Minor Mil Ch. Rules. The rules of 25-11-20 do not contemplate the issue of bills (Rule 35).

Rules 14 & 15 have also to be deleted as Sec 69 does not apply to Minor Mil Ch unless it is considered that Mil Chs are competent to frame rules for exemption under Sec 4 (6) (iv) without reference to Sec 69.

Rule 19 is incomplete.

It is a point for consideration whether the present rules are

The matter is now in Mr. Wilson's file R 1815-Mis-15-Leg-25/10/15 to be sufficient for working of the Minor Municipal Council and it is not known whether there is any necessity to issue such elaborate rules as those proposed. If considered necessary that rules have to be amended as suggested in the note above it would have been better if the Municipal Council had sent up an English version of the rules.
